ALOE

ALOE BLUE ELF

ALOE BLUE ELF

Light: Full Sun
Flower Color:

HT: 12"-18"
W: 18"
Z: 9

A tough, heat loving hybrid for small spaces. Narrow, upright, blue-gray leaves contrast nicely with the pale orange flower spikes. This fuss-free succulent thrives in poor soil - perfect for rock gardens, waterwise borders or containers

Less than 5 Available now in a size #1 gallon container

ALSTROMERIA

ALSTROEMERIA KATE (RED)

ALSTROEMERIA KATE

Light: Half Day Sun
Flower Color: RED

HT: 14"
W: 12"
Z: 8

Princess Kate is new, and dynamic, and bright and beautiful - just the one to liven up the established and to defy expectations. Sometimes this is exactly what your spring garden needs. Her breeding is fit for royalty, with an abundance of lipstick red blooms and fetching black whiskers. Kate takes the heat better than many earlier varieties, and really stands out, while pairing well in mixed plantings

Less than 5 Available now in a size #2 gallon container

ASPARAGUS

PONY TAIL FERN (FOX TAIL)

ASPARAGUS MYERS

Light: Full Sun
Flower Color:

HT: 2'
W: 2'-3'
Z: 9

THIS ANNUAL HAS A FLUFFY APPEARANCE THAT ADDS UNUSUAL TEXTURAL CONTRAST TO FLOWER BEDS AND BORDERS. LONG, PLUME-LIKE STEMS HOLD SOFT, NEDDLE-LIKE LEAVES THAT ARE SOFT TO THE TOUCH. GREAT FOR PLANTER BOXES AS THEY WILL CASSCADE TOWARD THE GROUND.

Less than 5 Available now in a size #QT gallon container
Less than 5 Available now in a size #1 gallon container

BANANA

BANANA BLOOD

MUSA BLOOD

Light: Full Sun
Flower Color:

HT: 6-8'
W:
Z: 9

Spectacular blue-green leaves striped with red. Large, heavy clusters of yellow flowers with red-purple bracts. Good in containers; useful near pools. Can bear small, sweet bananas. Perennial. Full sun. Fast grower to 6 to 8 feet tall and wide clumps. Tissue culture.

Less than 5 Available now in a size #5 gallon container

**BANANA TREE RED-LEAVED***ENSETE VENTRICOSUM MAURELII*

A true compact Sweet Bay with bright green wavy leaves and a fabulous fragrance. This evergreen shrub looks and smells wonderful year-round. Works well in containers or as a house plant in colder climates, and is handy to have for cooking. Its dried leaves add a nice flavor to stews and sauces.
